

HISTORY OF THE VOLUNTEERS' TRAINING CONFERENCE

2008: Oklahoma City, Oklahoma

It had been several years since Woody Cooper's health allowed him to attend a Foster Grandparent Conference. The 2008 conference in Oklahoma City offered the perfect opportunity for Woody to once again join the group he most admired. The celebration banquet was dedicated to Woody and the staff at Baylor who made it all happen for so many years. Due to a professional commitment Dr. Ben Dickerson could not attend. However, Don Purdy, who assisted Dr. Ben for years, did make an appearance.
